Expert Guest Speaker
AlphaLoan
Mortgage Group

With property prices skyrocketing and out of reach for so many Australians, this information night is a **MUST** for first home buyers and parents alike.

Who should attend?

- First home buyers in your 20s or 30s wondering how to crack into the property market.
- Parents who own property (or have a mortgage) and who want to help their kids – but don't have savings to give them.

If this sounds like you, join us for this not-to-be missed session full of facts, strategies, real case studies, market analysis, tips for paying off your mortgage sooner – plus much more!

At this information night... you will discover:

- How **parents can help their kids** enter the property market... **WITHOUT** spending one cent.
- Real case studies showing how first home buyers have entered the property market **sooner than normal**.
- Ways to avoid paying lenders mortgage insurance that could **save you thousands**.

Bookings essential – only 30 spots available
